

Superhero Class
Activities Spring 2026

Assignment Gallery 2: Superpower – in 3 panels

Marcelo: 4th Dimension

With great power comes great responsibility, so any power intense enough to immediately promote me to a cultural icon and social service isn't for me.

What's more, people with naturally accrued abilities are often labeled as mutants and trapped in facilities to be studied/estracized. That's gonna be a no bueno from me.

I would like a discreet ability that can still help people, even if they don't know it's me. So I think I would like the ability to control and purify water. Would come in handy, plus I could make rainbows!

Lucy: Control Water

Sam: Indestructible digestion

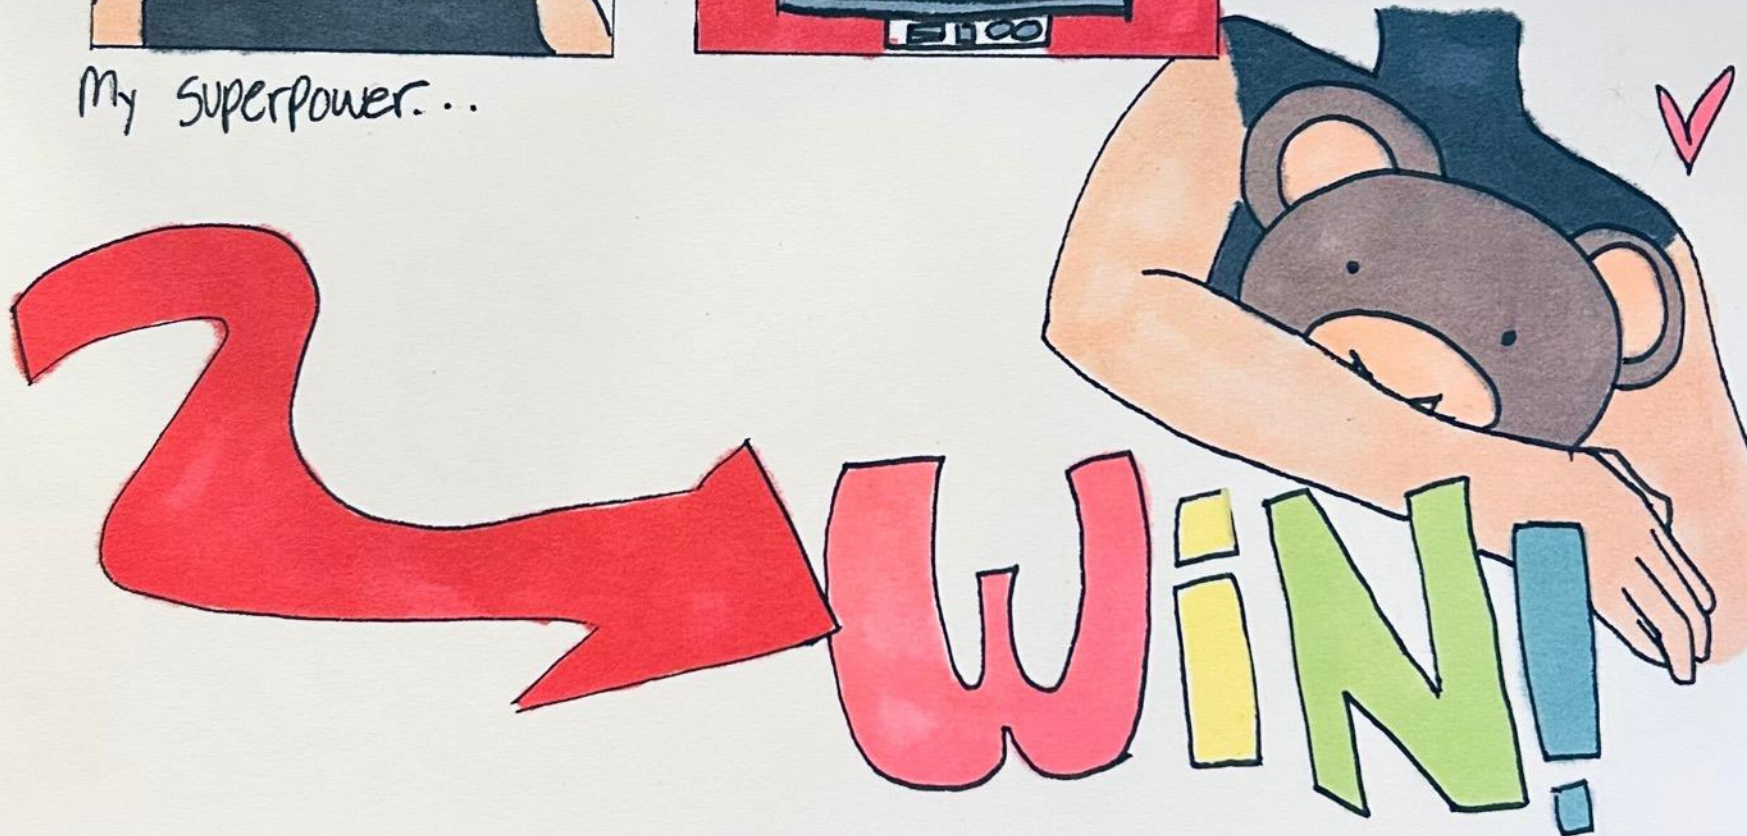

Xiomara: Portals

Skyler: physically manifest and control the things I draw

My superpower...

Miriam: Telekinesis

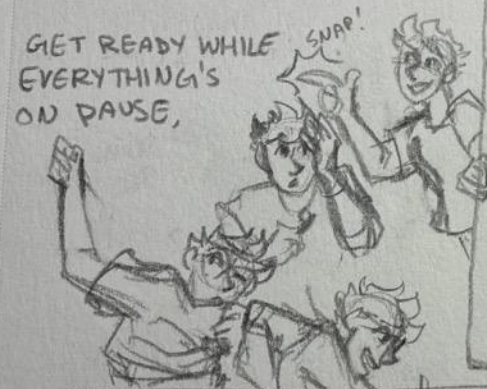

Connor: Super Strength

IF I COULD HAVE ANY
SUPERPOWER, I WOULD
BE ABLE TO PAUSE TIME.

I'D LET MYSELF
SLEEP IN,

GET READY WHILE
EVERYTHING'S
ON PAUSE,

WAKE UP EARLY ENOUGH
TO STOP TIME,

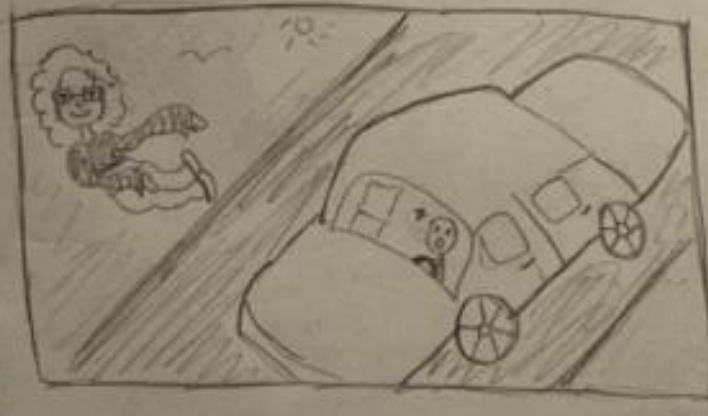

MAKE IT TO
CLASS ON TIME.

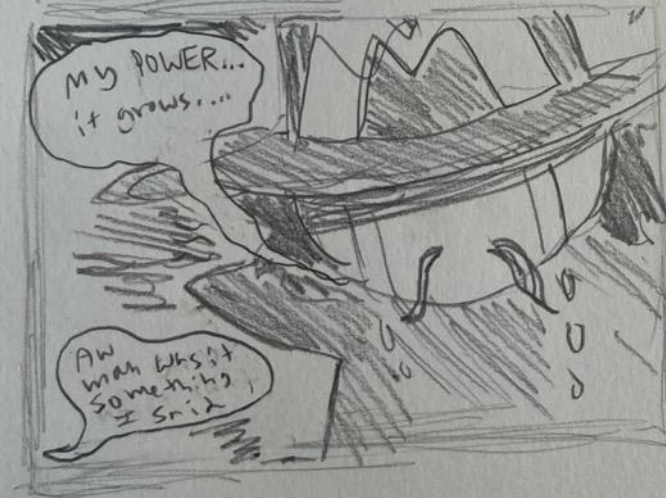

AND
ULTIMATELY

Lucy B: Pause Time

Sophia: Flight

Lucca: Absorb power from emotions

CMX MY SUPERPOWER

REGENERATION ^{or}

-ability to regenerate, "refill", anything! Kind of messes with time in a way!!!

now that I think of it
↓

EXTRA

Xyla: Regeneration
